Accessibility statement

PDF resource | Updated 30 June 2026

Rawal One accessibility approach and resident support information.

Our demonstration approach

- Use semantic page structures and meaningful headings.
- Support keyboard access and visible focus throughout resident pathways.
- Present status, instructions and document formats in text.
- Test key layouts at mobile and desktop sizes with readable contrast.

ABOUT THIS RESOURCE

Rawal One is an R&D demonstration. Accessibility feedback can be considered through future research work.
