

WASTE & RECYCLING

Waste collection guide 2026

PDF resource | Updated 1 September 2026

Household collection, disposal and recycling guidance.

Everyday collection guidance

- Check the service directory for the collection information available for your area.
- Keep recyclable materials separate, clean and dry where practical.
- Use the bulky-waste guidance for furniture, appliances and other large items.
- Keep waste secure until collection and avoid placing it where it blocks a footpath.

ABOUT THIS RESOURCE

This resource demonstrates the structure of a resident waste guide; it is not an operational collection calendar.
